**No Condition is Permanent: Nigerian**

## Writing and the Struggle for Democracy

If the revolutionary crisis were to break out, for example, in the course of the next months under the influence of the economic crisis on the one hand, and under the revolutionary influence coming from Spain, on the other, the masses of toilers, workers as well as peasants, would certainly follow up their economic demands with democratic slogans such as freedom of assembly, of press, of trade union organisation, democratic representation in parliament and in the municipalities. Hafsat Abiola is a good choice of entry point, but the filmmaker seems to have been so infatuated, that she comes up with a story line ending in suggestions about her as a presidential candidate. By its very nature, it is hard to detect this kind of interference.

## The state of democracy in Africa

Another example is the demand for full equality for sexual minorities lesbians, gays, bisexuals, and transgender persons, etc.

## Democracy in Nigeria; Overview, Brief History, Problems, Prospects

Limited time in power means going for short term policies Many democracies have rules that elections must be held regularly, say every 4 or 5 years. Yet this lack of legitimacy cuts both ways: when we the people withdraw our trust in leaders or discountenance politicians, we make our democratic institutions less effective and risk making ourselves ungovernable.

## June 12 is now Democracy Day in Nigeria. Why it matters

The politics of taking over power was a secondary consideration.

## The Struggle for Democracy in the Imperialist Countries Today

As the Arab elite have failed to provide an effective response to the Western stratagem, Islamic preachers have come up with an alternative vision.

### **June 12 is now Democracy Day in Nigeria. Why it matters**

But none of them has ever driven a tanker, over long distances, night and day, without rest. For now, however, this appears to be a waiting game as there is no evidence in sight that this administration is thinking along such lines.

### **The Development of Class Struggle in Nigeria**

If correct, it changes our entire strategy in regard to the opportunist parties, and in good measure in regard to the bourgeois parties that oppose the counterrevolutionary regime. There are suggestions that this is because she is a woman.
