### Regional integration and cooperation in africa: A history of disappointments?

Willmore, Free Trade in Manufactures among Developing Countries: The Central American Experience, Economic Development and Cultural Change, Chicago, Vol. It will thus be argued below that judging from historical experience and contemporary conditions, regionalism in Africa is not subject to permanent failure, but has at best limited scopes of development given the challenging conditions it faces.

### What is the Future of African Regionalism?

This is because without some transfer of decision-making and intervening power to the regional level, member states in effect their governing elites could pursue their own national interests with few institutional constraints, often at the cost of obstructing the broader integration agenda Herbst, 2000: 102.

### What is the Future of African Regionalism?

However, this essay disagrees with such statement, since empirical evidence tends to suggest that the possibility of some success in regionalism in contemporary Africa still exists, even though such success would most probably be limited in its scope. Hazlewood, The East African Common Market: Importance and Effects, Bulletin of the Oxford University Institute of Economics and Statistics, Oxford, Vol. Hence in the area of sovereignty transfer, Africa has made some limited progress, and regionalism in Africa has a possible but limited prospect.

### Regional Integration in Africa: Theory and Practice

Main Factors Affecting Performance Numerous explanatory factors have been given as to why regionalist projects fail or succeed in Africa Meredith, 2006: 680-1. Secondly, the political and ideological differences among national leaders was also problematic.

### Regional integration and cooperation in africa: A history of disappointments?

It may yet emerge from the crisis reconstituted, with its members committed to even deeper integration, but this outcome remains uncertain at the

time of writing. Lacking effective supranational decision-making power, the OAU thus failed to create the ADO Franke, 2006: 6-7. Lawrence Hinkle and Richard Newfarmer estimate that the median African country depends on tariffs for 2 percent of GDP and 15 percent of government revenue; for those most dependent on this source of revenue, tariffs constitute 3—6 percent of GDP and over one-quarter of government revenues.

### **Regional Integration in Africa: Theory and Practice**

For instance, countries like Mozambique and Angola have more or less abandoned their previous Marxist policy paradigms, Zambia and Tanzania have largely dropped socialist programmes and South Africa is no longer politically apartheid Schraeder, 2004: 265. Mutharika, Toward Multinational Economic Cooperation in Africa New York, London: Praeger, 1973.

### **Regional Integration in Africa: Theory and Practice**

Ernst Haas, The Obsolescence of Regional Integration Theory Berkeley: Institute of International Studies, University of California, 1975.

### **What is the Future of African Regionalism?**

First, there has been observable progress in the area of sovereignty transfer and supranational intervention, though the extent and exercise of such power by regional organisations remain constrained.
