## Sorcery

His long-held secrets threaten what he loves most—and he must make a choice between vows to two women. Overall though, if you are a fan of fantasy romance this is a must have for your bookshelf. .

## Supernatural and the Occult

The blade itself should have the word Malchut upon one side and Quis ut Deus upon the other. Why, it passes time — Saves you from getting over-wise : that's good. Brida is lovely and reminds me of a main heroine from Entreat Me, and Ahtin is adorable.

## Sword and Sorceress XXIII by Elisabeth Waters

I said the souls were five — besides the dog. But there was still a sixth, with wrinkled face. He must be invoked three times before he will come forth into the circle prepared for him.

## Sword and Sorceress XXIII by Elisabeth Waters

Sebastian Dietrich, has a theory about life after death, and he wants to test it on Vanessa. Many a magician has lost his life as the result of opening a way whereby submundane creatures could become active participants in his affairs. The settings are amazing, the characters realistic and this cover is stunning! It was interesting and I would love to read more.
