Including plant or tree maintenance for the sake of their environmental sustainability. The Melvil Decimal System is NOT the Dewey Decimal System of today. Because state authorities established a monopoly over criminal jurisdiction at a very early stage, it is possible that punitive detention played a more important role in practice than it did in theory.

Communauté Judéo

Muslim jurists of pre-classical and classical times concentrated their attention on pre-trial and administrative detention, especially imprisonment for debt. It then describes the actual experience of internal migrant children attempting to access schools, and analyses the main factors barring them from the education they are entitled to.
