How to Train a Puppy

Train a Puppy To Go Potty Outside One of the most challenging aspects of training is knowing how to. Everyone knows it's easier to learn when you are having a good time, so try implementing some games into your dog training regimen. This can be done by teaching him to sit, stay, and come on command.

How to Train a Puppy

Make sure that your dog sees that you eat first before he has his meal.

How to Train Your Puppy. Easy And Effective Tips

You will never be completely finished. .

How To Train Your Dog To Behave In The House

Training a puppy is not an easy job. Running through even the most basic tricks and commands will help them stay fresh in your dog's mind. This is important as your dog will need to do his potty after he has his meals, after his playing or when he wakes up from a nap.
