Spotlight on ... Jean Genet Miracle of the Rose (1943)

Obedience out of decorum, not logic. So it seems that this ability to work miracles was a family thing! His eyes were deep set and the epidermis of his chest, which was visible through the opening of the shirt and homespun jacket, was white and healthy-looking and absolutely hairless. One day, I suddenly realized from certain signs that it was losing its charms, which meant perhaps that I was being transformed, that my eyes were opening to the usual view of the world.
