Defending Japan's Pacific War: The Kyoto School Philosophers and Post

They tried to defeat the government policy, resorting to every means, even to the sword and fire. It is to be noticed that these feudal governments which carried on active foreign trade took the lead in the advocate of the cooperation of the Shogun and the Imperial Court.

UHM Library : Japan Collection Special Collection

In Decem- ber, 1871, the peers, and shizoku were allowed to engage in any occupation other than government officials. Enterprises run by the Ministry of Industry and Enter- prises in Hokkaido : 147 2.

デヴィッド・ルーク・ハウエル

They threatened these merchants by putting up anti-trade posters, extorting from them money for their movement, pressing them to drop foreign trade, and at last resorted to violence. Except for Uji in Kyoto and Shigaraki in Omi, it was after 1800 that tea plantations were started in Japan, even on a small scale.

War exacts top toll on bottom echelons: vet

It was not only the greatest event in the history of Japan, but it also brought about a complete change in the way of thinking of the Japanese.
