Dowry Prohibition Act

It is mainly and preponderantly a game of skill. Due to its decentralised governance structure, in recent years there has been more initiatives at the state level with the development of action plans.

Gambling in India

International Journal of Criminal Justice Sciences. Where income-earning opportunities have not eroded the value of inherited status, dowries can be expected to persist and even rise as economic opportunities for men expand. The central and state governments in India have noticed the country's failure to deal with female foeticide on its own and have come up with programs to deal with the problem at hand.

Female foeticide in India

According to a 2007 study by MacPherson, prenatal Diagnostic Techniques Act PCPNDT Act was highly publicized by NGOs and the government. It was expected that other states would follow Sikkim, thereby opening up a major online gambling market throughout India.
