## How to Get Rid of Flying Ants

By employing the same perseverance as the WASP and armed with the WASP record and the law, military women pilots now serve full careers and have achieved leadership command and flag officer positions.

## BugFinder

Appearance The ground digger is one of the largest wasp species.

## Insect Identification

It often suspends its paper nest from hanging baskets, eaves or plants around the house.

## Wisconsin Insect Identification Tool

Ultimately, Congress voted against inclusion.
