History of Istanbul

. An Economic and Social History of the Ottoman Empire, 1300-1914.

Is Istanbul on Your Post

This new at Constantinople lasted until 1261, when the Byzantines under the command of recaptured the city and some outlying territory. This was not a regular prayer session for religious reasons but rather a scare tactic: the sight of the entire Ottoman army getting on their knees to pray provided an intimidating display of unity to the Byzantine forces designed to overcome their minds before their bodies. After the Ottomans took the city in 1453, all foreigners who were not citizens of the empire were restricted to this quarter.
