Madame Bovary

. I enjoyed the story it was one that caused you to have many feelings about the characters.

Flaubert, Gustave 1821

The experience is much like reading Bovary-- rich, comic, shattering. His ongoing relationship with poet Louise Colet reads like a soap opera, or maybe operetta. Mild wear and bumping to spine, board edges and corners.

Flaubert and Madame Bovary by Francis Steegmuller: 9781590171165

First the Steegmuller translation is very good, critics have said it as well as my comparing the translations. Yes, the story is wonderful, but the telling transports this novel into greatness.

Flaubert and Madame Bovary by Francis Steegmuller

A captivating account of Flaubert and his creation. He was a tireless worker and often complained in his letters to friends about the strenuous nature of his work. One can see his own personality in the novel.

Madame Bovary by Gustave Flaubert

You can see the dreaded problems that will come from dangerous decisions, the main character Emma Bovary is probably a person a million women or men could identify with which in and of itself is a problem.

Flaubert : Madame Bovary / by Alison Fairlie

Francis Steegmuller's beautifully executed double portrait of Madame Bovary and her maker is a remarkable and unusual biographical study, a

sensitive and detailed account of how an unpromising young man turns himself into one of the world's greatest novelists. No need to just leap off the edge into total florid prose land. Black cloth boards stamped in green on the spine.

Flaubert and Madame Bovary by Francis Steegmuller: 9781590171165

. Steegmuller biography before I begin rereading M.

Madame Bovary on Trial on JSTOR

She embarks on a series of love affairs to satisfy her hankering after fame and fortune. He went on to write some other books, of course, but this is the one that sort of took it out of him, made him a writer for real- meaning one who sits in a room all day or night, in his case and puts words on paper, hour after hour, working his fingers to the bone to get them just right.
