## Recent books on the history of museums

I went to the McCarthy exhibit first and waited for them to open the doors which was probably the most magical part of my time there. In her written introduction, Fearrington also mentions something that has not been mentioned in some of the other books I have been reading about Cabinets of Curiosities, and that is that fact that while most *Wunderkammer* collectors were men, there were women collectors as well, such as: — Mary Cavendish Bentinck, Dowager Duchess of Portland 1715-1785, one of the richest women in England 11. Durham, NC: Duke University Press, 1998.
