All India Kisan Sabha

But still, there is no economic history of Bombay Presidency which embraces industry and agriculture. In one venue on the coast, the party prepared for a crowd of 50,000 and only 5,000 came. In political terms, therefore, caste is a basis for satisfying particular local interests and allegiances, but because caste is by definition local or regional at most, and is therefore not large enough to form meaningful political units apart from other groups, it also becomes the basis for alliances and factional political associations, much as ethnic groups elsewhere make alliances within parties and seek balanced tickets to win elections and achieve power.

GOPIO News, April 12 2012, Special Bulletin

Delay was also evident in Congress candidate selection. For the evolution of post-1950s official thought, see A.
