COVID

However, in the determination of estimated future liability, the actuary for the self-insurer shall not take a credit for any excess insurance or reinsurance which is provided by a captive insurance company which is wholly owned by the self-insurer. Providing teens a leadership role at home, choices within the distance learning environment, or ways to make a difference from a distance can motivate teens and show them that you recognize their perspective as important. Requires Medicare prescription drug plans and Medicare Advantage drug plans to permit Part D plan enrollees to obtain a 90-day supply of a covered Part D drug even if the drug is subject to cost and utilization management, medication therapy management, or other such programs during the COVID-19 emergency period.

Unemployment Insurance Taxes: Options for Program Design and Insolvent Trust Funds

SOURCES: KFF analysis of CARES Act and Senate Appropriations Committee summary materials. Deduction should be made for the total amount which is estimated to be returned to the commercial self-insurance group from any specific excess insurance coverage, aggregate excess insurance coverage, and any supplementary benefits which are estimated to be reimbursed by the special compensation fund. Amends the Public Health Service Act to establish education and training programs related to geriatrics.

COVID

Additional reporting requirements are as provided in paragraphs b to g.

New Proposal Would Extend \$600 Unemployment Benefit Indefinitely Until Coronavirus Crisis Ends

Upon removal or invalidation of the special plates, either the owner or purchaser of the motor vehicle shall obtain regular plates for the motor vehicle.
