## Constraints on Sustained Recovery from Economic Disaster in Africa

Cite this chapter as: Harvey C. Six chapters report on extensive fieldwork in Kenya, Tanzania, Zambia and Zimbabwe; three chapters compare countries in Africa recovery from disaster, labour markets, new financial markets and one makes comparisons with Asia and Latin America of employment policies.

### CAB Direct

Orthodox measures may be necessary but are frequently not sufficient because of structural factors, some peculiar to individual countries, some found more widely.

## Constraints on Sustained Recovery from Economic Disaster in Africa

CAB Direct provides a convenient, single point of access to all of your CABI database subscriptions. What's new CAB Direct now works with LibKey! Welcome to CAB Direct CAB Direct is the most thorough and extensive source of reference in the applied life sciences, incorporating the leading bibliographic databases CAB Abstracts and Global Health. This book reports why orthodox structural adjustment measures do not have the expected results in Africa.

## Constraints on the Success of Structural Adjustment Programmes in Africa

Orthodox measures may be necessary but are frequently not sufficient because of structural factors, some peculiar to individual countries, some found more widely.

## Constraints on Sustained Recovery from Economic Disaster in Africa

Yet a recovery of private sector investment is essential for sustained recovery, once existing capacity becomes full utilised with the greater availability of foreign exchange; and private sector investment cannot be expected to recover while the civil service, the banks and parastatals remain unreformed. . ## **Constraints on the Success of Structural Adjustment Programmes in Africa**

For Librarians: Integration of your institutional LibKey profile with CAB Direct is very quick and easy! However progress with structural reform has been more difficult; it has been slow to start for example, seven or eight years in the case of banking reform in Ghana and Uganda and doubtful of success.
