Apartments for Rent in Milwaukee, WI

Low Rent Apartments in Milwaukee, Wisconsin There are 7,543 rent subsidized apartments that do not provide direct rental assistance but remain affordable to low income households in Milwaukee. Because demand varies from region to region and the proportion of household income expected to be spent on housing also varies greatly from region to region, the Scout Vision Housing Affordability Index is best used to compare affordability in a region over time to assess overheated markets, rather than using the Index to compare different regions at one point in time to assess market overheating.

Housing market during coronavirus down in Milwaukee; agents go virtual

Buzz60 Having purchased a 6,230-square-foot home in Mequon right before the 2008 housing crash, no one needs to remind Josh Liberman about the ups and downs of the real estate market. Per capita is the best measure of the average spending power of each person in the neighborhood. Built in 1982, this fully accessible building features tenant laundry room and storage rooms for tenant property.
