One of the most important achievements of the 1990s was the diminishing role of the army in the political life of the state, although the army threatened to take matters into its own hands during the period of political conflict in 1996. Regime change is the forcible or coerced replacement of one government regime with another. A few households or a neighborhood would constitute a para, which might develop some cohesiveness but would have no formal leadership structure.

Civil Society and Political Structures in Bangladesh

Party affiliation, political contacts, and documented revolutionary service became the main prerequisites for admission to the rapidly growing new elite of political and industrial functionaries; the established middle class and its values played lesser roles. Tk51 billion came from value-added tax VAT, Tk43. It provides a vital link between the citizens and the state.
