## 1320: Section 5: Architecture: Culture and Space

Musical instruments, and mechanical devices. Might I just share two things that describe a good friend: 1. More than just a change of holy robes, these transformations in sacred space measure the evolution of our culture, constructing the journey of our souls westward, upward and beyond.

### Temple Blessings

This type of sacred music is specially appropriate for ceremonies celebrated with greater splendor, and solemnity. The answer to that riddle is not nearly so hard as the first.

### Temple Blessings

The interested reader can survey what has been written on historical qibla-determinations in the bibliography appended to this paper.

### edifice

He gave his testimony in a mighty spiritual discourse that changed the hearts of the people to worship the Lord. While the three which lie on the Giza plateau near modern Cairo are the most famous and recognizable of the Egyptian pyramids, they are hardly the only ones the Egyptians built. A brilliant geometrical construction for finding the qibla proposed by Habash al-Hasib, the leading astronomer of 9th-century Baghdad.

## Deseret Peak Utah Temple Construction Underway

When they were discovered and dug up, and with due honor translated to the Ambrosian basilica, not only they who were vexed with unclean spirits. If there were no bodies of Saints, no holy water was deemed necessary, strange as this appears to us who hardly know of any blessing not accompanied by the sprinkling of Holy Water. Though popular in some quarters, this notion ran contrary to the view promulgated in traditional Egyptian religion in that day that souls upon death descended to the Underworld.
