Why was Buddy Ebsen replaced by Jack as the Tin Man? We are committed to providing you with reliable and efficient service at all times. The introduction by Margaret Hamilton is especially fascinating. He is announced as the film's producer on 24 February.

0394493508

The interviews with Margaret Hamilton, Ray Bolger, and Jack Haley were interesting. Lots of great insights from the actual stars of the movie. A bestselling classic since it was first published in 1977, The Making of The Wizard of Oz is as ageless as the film itself jam-packed with fascinating facts and telling asides.

The Making of the Wizard of Oz: Movie Magic and Studio Power in the Prime of ...

Really insightful look at all aspects of the production of this much loved classic. After reading Finding Dorothy, I read this well-researched book about the people who made the movie. Endpapers and pages are lightly darkened from age.

0394493508

We planned our week around it.

The making of the Wizard of Oz (2013 edition)

Mankiewicz is taken off the film the next day. When on topic -- and personal interviews, this book was excellent.

The making of the Wizard of Oz (2013 edition)

We planned our week around it. It was so magical and year after year it retained it's spell. I have to say I enjoyed the photographs contained within the book the most.

+making+wizard+oz by Aljean+harmetz+

Accessories such as CD, codes, toys, may not be included. As soon as I saw this book, I had to have it. Why was Buddy Ebsen replaced by Jack as the Tin Man? This book is thoroughly detailed and each chapter breaks down major points of the making of 'The Wizard Of Oz'.

Wizard of Oz Timeline

I was charmed by this book! Possible ex library copy, will have the markings and stickers associated from the library. Great behind the scenes deets about the munchkins they weren't as raunchy as everyone says! Langley resumes work on the script three days later. Without, notably, subjecting the reader to an uncomfortable sense of voyeurism or pedantry.
