Narrators may adjust a story to place it in context, to emphasize particular aspects of the story or to present a lesson in a new light, among other reasons.

The Musical Ear: Oral Tradition in the USA by Anne Dhu McLucas (review), Journal of American Folklore

It is this imbalance that the book redresses. Renée Hulan and Renate Eigenbrod Halifax: Fernwood Publishing, 2008 , 2—3. Aboriginal Oral Traditions: Theory, Practice, Ethics.

Learning Music: Notation vs. Oral Tradition

Lastly, it is characterized as contradictory which one assumes never happens in written history.

The Musical Ear: Oral Tradition in the USA by Anne Dhu McLucas (review), Journal of American Folklore

Oral traditions form the foundation of Aboriginal societies, connecting speaker and listener in communal experience and uniting past and present in memory.

The Musical Ear: Oral Tradition in the USA by Anne Dhu McLucas (Paperback, 2011) for sale online

The nuances evident in distinct versions of a specific history represent a broader understanding of the events and the various ways people have internalized them.

The Musical Ear: Oral Tradition in the USA by Anne Dhu McLucas (review), Journal of American Folklore

Found within the many oral traditions of the United States are common elements that apply to all human cultures. Issues exist with the writing style,

use of facts, and the author's approach.
