These narratives sharpen under stress, focusing on selective concerns. Congress president Sonia Gandhi constituted a three-member committee including All India Congress Committee general secretary and in charge of Punjab affairs Harish Rawat, former Delhi MP JP Aggarwal, and leader of opposition in Rajya Sabha Mallikarjun Kharge and tasked them to resolve the crisis before it goes out of hands. They had been calling for violence against Christians, and they are thought to be behind online instructional videos explaining how to build a bomb, and providing the locations of churches to target, including the one that was bombed.

There were positive developments in 2013-14, with a substantive increase in exportable commodities and agreements on rationalizing tariffs, customs facilitation, and establishing banking facilities. Immediately after independence, when fighting broke out over Kashmir, India took the matter to the U. The Pakistan government condemned the attacks.

Conflict Resolution and Crisis Management: Challenges in Pakistan

From this perspective, I examine lessons learned from past crises and look at what can be done to minimize the risk of conflict in terms of crisis management, counterterrorism, and stable normalized bilateral relations. It mimics the worst of Cold War strategies and can arise under the miasma of distrust, rivalry, and hostility between the two countries.

Punjab political Crisis: Poster war ensues between CM Amarinder Singh, Navjot Singh Sidhu

He made the point that each successive tension period was responded to by increasingly greater restraint with both sides remaining conscious of their respective nuclear capabilities. The second event was the killing by the Indian security forces on July 16 of Burhan Wani, a Kashmiri militant youth leader. Unexpectedly, the 2002-3 period of tension was followed by five years of relative peace and sustained negotiations to address a range of issues and witnessed the most substantive effort ever undertaken bilaterally to address Kashmir.
