### Desert Cancer Foundation

Some instruments cannot be used at this time, to keep you and our Dental Team safe.

### Support Services

However, the statement has been interpreted by some people as questioning their integrity and whether they had offered appropriate loyalty to VAHS. Health disparities persist, which are due to the impacts of colonization and Indigenous-specific racism.

### Resources

When people are faced with a diagnosis, they inevitably have a lot of questions.

### UC Davis Health

Cancer Connect Cancer Connect is one to one telephone peer support for people who have just been diagnosed with cancer, are undertaking treatment or commencing their survivorship journey. The hospital offers comprehensive services through more than 120 active, consulting and courtesy physicians representing a full spectrum of specialties.

### Indigenous Cancer Care

Dental Priority is given to emergency, essential treatment and to patients from our priority list. VAHS acknowledge that Dr Walsh and Ms Manderson have shown commitment to the improvement of Aboriginal health. The opinions expressed by such organizations and in any literature referenced, are solely the opinions of such organizations and the authors of such literature, respectively, and are not endorsed by Binc Foundation.

### Support Services

Please contact VAHS to arrange this service; medications will be delivered the day following your request and you need to be at home to receive them. Inspired and motivated to serve by our Seventh-day Adventist faith, we incorporate spirituality into our services to provide comprehensive

care for physical, emotional and spiritual health.

### **Cancer Australia Publications**

Cultural Safety and Food Tips for Living Well and Diabetes Prevention and Management Nutrition for the Early Years Cooking and Budgeting Specific Nutrients Before Canada and BC were formed, Indigenous peoples lived in balance and interconnectedness with the land and water in which the necessities of life are provided.
