Culture war

The NRA seems to be broadening the issue of gun control into a broader culture war issue. It can still be used to describe historical events in Canada, such as the , , the , and any ; but is more relevant to current events such as the and the increasing hostility between conservative and liberal Canadians. Not since Pat Buchanan's famous 'culture war' speech in 1992 has a major speaker at a national political convention spoken so hatefully, at such length, about the opposition.

NRA's new president says gun owners are 'fighters for freedom' in 'a culture war'

We talk about more than guns because every freedom is connected. I say this as an Endowment level Life Member of the NRA: The videos do nothing to further the cause of gun rights and everything to add to the polarization and partisan atmosphere. I wonder if many of us red-neck, beer-guzzling, gun-toting NRA members know that our days are numbered? During the 2000s, voting for Republicans began to correlate heavily with traditionalist or orthodox religious belief across diverse religious sects.

The NRA's Television Platform Isn't About Guns

When the NRA judges candidates by the gun issue only they end up unintentionally endorsing folks like Senator Reid.

Gun Crusaders

Others appear to have had alternate interpretations.

All that remains today is a small tightening of background checks.

GOOD: NRA's Latest Clenched Fist of Truth Hits Washington Post... Hard.

This seemed equally obvious on Friday, when the far-right group released , which also starred spokesperson Dana Loesch, and which also put a spotlight on the NRA's broad, new objectives. But it is not the kind of change America wants.
