I also thank two anonymous readers for the press. Also, while many treasures were removed during the war to salt mines, to remote Castles and other safe places, many were deposited in flak towers and similar hide-outs within Berlin, and quite a few perished there in 1945. One of most complete painting books ever published.

When, a couple of years ago, I saw a TV report on Vienna, which showed, almost exclusively, jolly fat burghers gobbling gargantuan portions of high-caloried foods, I was perturbed by this distortion: Vienna is not Schlagobers and ferris wheels. No tendencies to be equated with Post-Impressionism appear in sculpture until about 1900. Dealing with canonised as well as lesser known exponents of modernism and the avant-garde throughout Europe, this book will appeal to all those interested in European cultural, literary and art history.

Unlike all the other Viennese writers who kept more or less out of the public eye, he was known personally to thousands who came to hear him

recite, nay, act, works by Shakespeare, the 19th Century writer of comedies, Johann Nestroy, and Offenbach's operettas. The X-Men was Marvel's most openly Jewish superhero comic book of the 's, featuring the arch-enemy and Holocaust survivor Magneto and the Jewish super hero Kitty Pryde. In this, Dasein understands itself with regard to its potentiality-for-Being, and it does so in such a manner that it will go right under the eyes of Death in order thus to take over in its thrownness that entity which it is itself, and to take it over wholly.

Unlike Delacroix, he left us no self-revelatory Journals though his sayings were collected and published by his pupils. Illustrated in color and half-tones.

### **POST IMPRESSIONISM**

Munch's works generated such controversy when they were exhibited in Berlin in 1892 that a number of young radicals broke from the artists' association and formed the Berlin Secession, which took its name from a similar group that had been founded in Munich earlier that year. How does immature religion view the group which it serves? The Danube keeps on being muddily green rather than blue.
