Special Needs Trusts Law Handbook

According to the NRC Shelter Handbook, there are 18 shelter assistance methods that are normally combined to support the affected population, depending upon the nature of the shelter or settlement programme.

Modalities

The overall performance record is good, but there is room for improvement. Most of these are commonly used by many humanitarian organizations.

Modalities

Many organizations have started to look at the use of local markets and local materials, pushing towards cash and voucher mechanisms.

Special Needs Trusts Law Handbook

An emerging new field for most practitioners, the area of special needs trusts requires a single, reliable reference.
