Ageing & Disability: A Discussion Paper

The 2002 Census of Population included two direct questions on disability for the first time. Soldiers were told not to use the telescopic sights on their rifles to scan the streets, as civilians believed they were being aimed at.

Social work and mental health in Northern Ireland

She was the founding President of the European Sociological Association. The lack of employment status of people working in sheltered workshops and their equivalent means that they never qualify for the usual benefits available to workers.

Professor Sylvia Walby OBE

Such women may be socially excluded from an early age and may be less likely to have children who will care for them in old age.

Ageing & Disability: A Discussion Paper

One member, RUC officer, claimed his superiors knew of the collusion but allowed it to continue. Equality Commission for Northern Ireland Reports Equality Commission for Northern Ireland. This despite the fact that, as stated at the start of this paper, older people represent 42% of the population with disabilities.

Ageing & Disability: A Discussion Paper

Elections to the Northern Ireland Assembly are by with five Members of the Legislative Assembly MLAs elected from each of 18.

What is a Social Problem? A History of its Definition

By 1989 doctors were extremely hostile to government reforms and were active in lobbying against the implementation of the 1989 government white paper, *Working for Patients*, which introduced an internal market to the NHS. There is a need to understand whether and how concept maps can support student learning in simulated environments. Agreement proved elusive, however, and the Troubles continued throughout the 1970s, 1980s, and the 1990s within a context of political deadlock.

The Troubles

The county boundaries still appear on Ordnance Survey of Northern Ireland Maps and the Phillips Street Atlases, among others. *International Journal of Nursing Studies*, 49, 747—754.

Concept Maps in Nursing Education: A Historical Literature Review and Research Directions

Developing Indicators on Violence Against Women. Since 1972, it has had no official status. *Studies in Conflict and Terrorism*
