**SHEIKH ABDUL QADIR JILANI
(raheemullah) KA AQEEDAH**

Yaha dusre muslims bhi hai jo zaif hadith aur maudu hadith ko follow karte hai. Joined the AZO in 1982. Allah ko beshak pata tha, Allah ke Rasool ne hame bataya bhi fir bhi Rasool ne ye nahi kaha ki batware ke baad apne ap ko ahle hadith kahna ya salafi kahna.

Khānlarī, Parvīz Nātil

This happened after Tipu laid out his plans to attack US and Israeli embassies in certain European countries. He described Murtaza to be an arrogant and reckless man who played with the lives of naïve young idealists. Apne farmaya: Ha aur usme thodi kharabi aur mail hai.

Salafi Ka Laqab

The irony is that he was once actually a member of the AZO in Kabul and yet, many of his former comrades and even some respected journalists have continued to dispute the authenticity of the information that he provides in his book. Allah pak Quran me farmate hai: So mai puchta hu ki ahle hadith ka matlab kya hota hai.

Sufi Qalam

Ham salaf ke baad me aye hai. In Kabul, whenever I would mention his name in a social setting, people would instantly respect me because of what my uncle represented. Is said to be still residing there.

Salafi Ka Laqab

The next day we heard that the protest had been attacked by some IJT guys, and that Kaimkhani had been nabbed by the cops. He befriended some members of the left-wing NSF who convinced him to quit the IJT. MAINE ARZ KIYA: AGAR MUSALMAN KI JAMAAH AUR UN KE IMAM NA HO TAB MAI KYA KARU? Arshad Khan: One of the three hijackers.

Sufi Qalam

The truth may lie somewhere in between because Anwar suggests that AZO was desperately trying to get direct support from the Soviet intelligence agency, the KGB, and for that Murtaza had been desiring to pull off a dramatic act. There is very little written and documented on the foot soldiers of PPP that kept the party alive during its leaders' exile.
