The New Jerusalem Diagram

Chomsky warned against complacency about these fringe ideas since, he argued: 't he entire and later that of Israel, particularly since 1967, is one of gradual shift towards the positions of those formerly regarded as right-wing extremists.

A blueprint for Diaspora and Israeli relations

Centrifugal factors would give rise to a dynamic of fragmentation that, while highly perilous, would offer Israel opportunities it had failed to exploit in 1967. Yinon hoped to see the formation of a on Egypt's northern borders. US President Donald Trump is peace plan on Tuesday, amid criticism that the administration has overtly embraced Israel's position while alienating the Palestinians at the expense of lasting peace in the region.

Trump's Mideast plan skews heavily toward Israel

Egypt is no longer the leading political power in the Arab World and is economically on the verge of a crisis. The left-wing Meretz faction submitted a motion of no-confidence in response to the plan.

The New Jerusalem Diagram

Tammet: Every number has a texture.

An Israeli

Nevertheless, they gloss over the risks posed by BDS to any serious peace process and the prospects for a two-state solution. This is not your publishing platform or blog.
