Blackwing Meats

Handmade, 100% natural ingredients, without preservatives and colorants, 100% vegetal origin, Vegan, Lactose free. The sauces on the table were really good, definitely needed those to make the meat tasty. It is possible for undercooked rabbit meat to transmit this infection.

Wisconsin Sausages

We are a state approved meat processing facility, with a retail meat market. Are you a loyal Patak Meats customer? What kind of butcher cuts such high-quality meats that a customer would drive all the way from Ohio to Georgia just to buy bacon?.

Wichita's Favorite Butcher Shop & Meat Processor

I think they turned out a little bit better this time around.

Patak Meat Production

My ingredients, preparation, and cook process are below. While we waited we hung out at the bar. The pimentón used in our charcuterie is of the finest Protected Denomination of Origin DOP imported directly by us from La Vera.
