The Complete Works of Robert G Ingersoll

The geologist, in rocks and deposits and mountains and continents, read a little of the story of the world -- of its changes, of the glacial epoch -- the story of vegetable and animal life. Except in Catholic countries, no winged citizen of the celestial realm has visited the world for hundreds of years.

Robert Green Ingersoll

Let us take another step: While our ancestors filled the darkness with evil spirits, enemies of mankind, they also believed in the existence of good spirits. As a matter of fact, the success of the Devil in the Garden of Eden made the coming of Christ a necessity, laid the foundation for the atonement, crucified the Savior and gave us the Trinity. There were centuries of darkness when religion had control of Christendom.
