## Sources

The research and surveys etc will eventually be deposited at the East Cowes Heritage Centre. Having inherited a good number of unannotated photographs from the Victorian and Edwardian periods, like many other family historians, I was imbued with the desire to identify them.

## Isle of Wight photographers 1840

James Thomas Scott was born in Clerkenwell, London around 1825.

## Professional Photographers in Bo

A series of small pits, possibly domestic rubbish pits, contained a range of pottery sherds covering a 200 year period from Late Iron Age through to early Roman. By 1895, Robert James Scott had moved to the seaside resort of Bournemouth, where he established a photographic studio. By the mid 1860s, James Russell had formed the firm of J.
