Peter's 2nd miraculous escape from prison

Thank you for your wonderful info. After the battle near , Sweden made peace with all powers but Russia by 1720.

Peter the Great

Statue of Peter in In 1698, Peter sent a delegation to , under boyar , to observe the training and abilities of the and their.

Peter I of Serbia

Peter later put his knowledge of shipbuilding to use in helping build Russia's navy.

Hike to the Monastery, Petra

In Old Serbia, my army will meet not only upon Christian Serbs, but also upon Muslim Serbs, who are equally dear to us, and in addition to them, upon Christian and Muslim Albanians with whom our people have shared joy and sorrow for thirteen centuries now. The Karađorđević dynasty's rivals, the , were reinstated, and an Obrenović prince, , claimed the throne.

Hike to the Monastery, Petra

He participated in the on 3—4 December 1870, as well as the on 9 January 1871. Formally, Ivan V was a co-ruler with Peter, though being ineffective.

Hike to the Monastery, Petra

His visit to the firing line prior to the in late 1914 boosted the morale of the retreating Serbian forces and announced a counter-offensive and

sparkling victory against numerically superior Austro-Hungarian forces December 1914. It became unbearable for the Serbs, the Greeks and for the Albanians, too. One goal was to seek the aid of European monarchs, but Peter's hopes were dashed.
