## Hamilton, Thomas

Murió en el número 9 de Howe Street una oficina el 24 de febrero de 1858.

## Thomas Hamilton (arquitecto)

The ceiling will be in the form of a segment of a circle, or an elipsis, and will be nearly 40 feet high.

## George IV Visit

William Dingwall, John Barrie and William Paterson, Covenanters. The Decision Notice will be posted on the website within 21 days of the meeting.

## Dunbeath Castle

The lime to be kept in the state of shells covered up with sand and slacked only at such length of time before using as shall from the nature of the lime be directed, and must be mixed up with the sand whilst hot. The foyer will be lit by dramatic ceiling glazing which replaces the stone flooring of the portico. Interestingly, he designed a main entrance in the single large courtyard - 'fronting the principal entrance is a broad circular flight of steps' - a feature that is absent today to the great confusion of anyone calling on official business.
