### Elizabeth II

Portrait commemorating the defeat of the , depicted in the background. The sincerity of Elizabeth's remorse and whether or not she wanted to delay the warrant have been called into question both by her contemporaries and later historians. The result was just as dismal.

### Queen Elizabeth stands alone to bid farewell to her 'strength' Philip

Since Elizabeth would never name her successor, Cecil was obliged to proceed in secret.

### A Mystery for Elizabeth Spiers and the Times, but No One Else

Republican feeling in Britain had risen because of press estimates of the Queen's private wealth — which were contradicted by the Palace — and reports of affairs and strained marriages among her extended family.

### A Mystery for Elizabeth Spiers and the Times, but No One Else

A rare portrait of Elizabeth prior to her accession, attributed to. By the end of the 1980s, the Queen had become the target of satire.

### Elizabeth I

Her memory was also revived during the , when the nation again found itself on the brink of invasion. And therefore our express pleasure and commandment is that, all delays and excuses laid apart, you do presently upon the duty of your allegiance obey and fulfill whatsoever the bearer hereof shall direct you to do in our name. In consultation with her husband and the Prime Minister, John Major, as well as the , , and her private secretary, , she wrote to Charles and Diana at the end of December 1995, saying a divorce was desirable.

### Elizabeth II

Significant events have included her and the celebrations of her , , and in 1977, 2002, and 2012, respectively.

### **Queen Elizabeth stands alone to bid farewell to her 'strength' Philip**

Elizabeth's reign became known as the. However, the victory was not a turning point in the war, which continued and often favoured Spain.
