Its most striking feature is the use of the one-to-one analogies between Greene's drama and modern cinema, in order to explore the plays' stage effects. Rooted in performance and performance criticism, Sidney Homan and Brian Rhinehart provide a detailed explanation of how comedy works, along with advice on how to communicate comedy from the point of view of both the performer and the audience. The technical arguments for these decisions about Shakespeare's creativity are carefully laid out in language that anyone interested in the topic can understand.
