## Flags, Symbols, & Currencies of Japan

Some of the mon display the name of the prefecture in ; others are stylized depictions of the location or another special feature of the prefecture. This adjustment meant an improvement in the torque of the Skyactiv-G 1.

## Symbolic Colors in Japan

Many cultures have attached meaning to colors that relate to these, and Japan is no different. As you can see, colors and their cultural meanings are far from being fixed but may vary depending on the culture and time period as well. This flower is still picked today to make more traditional lipstick and is said to protect the beauty of Japanese women.

## Traditional Meanings of Colors in Japanese Culture

The latest version of the JASDF flag was re-adopted on 19 March 2001. Because of its association with right wing activists, , or , most homes and businesses do not fly the flag. The JASDF , established independently in 1952, has only the plain sun disc as its emblem.

## Colors in Japanese

State University of New York Press; 2001.
