**The Upshot of Money Supply and Inflation in Nigeria in: Valahian Journal of Economic Studies Volume 8 Issue 2 (2017)**

Overall, there has been some progress in recent years towards addressing the structural weaknesses of the euro area.

**Monetary Shocks and the Dynamics of Inflation : IMF Staff papers : Volume 27 No. 2:**

Lately I have developed teaching interest in the areas of corporate finance and international finance. Co-integration and error correction: representation, estimation, and testing.

**EconPapers: Akhand Akhtar Hossain**

During a recession, interest rates tend to fall, as there is less borrowing to finance investment spending. The key finding is that structural innovations in inflation, real interest rates and real exchange rates explain approximately 40-to-50 per cent of structural innovations in real-GDP growth for most individual countries in the sample.

**Causes of Inflation**

The study found out that exchange rate has a negative impact on economic growth of the Ghanaian economy in the long run.
