**gave away India, and his wife. Cuckolded by Netflix's British series The Crown tips the hat to first Prime Minister of India**

Mountbatten set a date for the transfer of power from the British to the Indians, arguing that a fixed timeline would convince Indians of his and the British government's sincerity in working towards a swift and efficient independence, excluding all possibilities of stalling the process. In 1975 he finally visited the , leading the delegation from UK as personal representative of at the celebrations to mark the 30th anniversary of Victory Day in World War II in Moscow.

**Lord Mountbatten on the Crown: His relationship with Prince Charles and his death**

In 1969, Mountbatten tried unsuccessfully to persuade his cousin, the Spanish pretender , to ease the eventual accession of his son, , to the Spanish throne by signing a declaration of abdication while in exile. He was very much afraid that her affairs would affect his career, and his relationship with the royal family.

**Lord Mountbatten was “devastated” by his wife’s affairs**

Critics said he was too ready to overlook their faults, and especially their subordination to communist control. He was the youngest child and the second son of and his wife.

**The IRA Assassination of Lord Mountbatten: Facts and Fallout**

During the interwar period, Mountbatten continued to pursue his naval career, specialising in naval communications. Keystone Getty Images Perhaps Louis's meddling was earned: He introduced Elizabeth and Philip, and made their marriage possible despite the future queen's hesitant father,.

**gave away India, and his wife. Cuckolded by Netflix's British series The Crown tips the hat to first Prime Minister of India**

Watched by thousands of people, the funeral procession, which started at , included representatives of all three , and military contingents from Burma, India, the United States, France and Canada. The death of Mountbatten and the tributes paid to him will be seen in sharp contrast to the apathy of the British Government and the English people to the deaths of over three hundred British soldiers, and the deaths of Irish men, women,

and children at the hands of their forces.
