### Rough

. Start with a plan Rough-in cannot start without having a plan ready. James Garners' excellent voice overs and interludes as Mark Twain allow us to watch as if we were reading the book.

### Roughing It

Have you ever taped a show because you didn't really think you'd like it but wanted to be sure. That's how this movie actually a two part mini-series caught me.

### Rough

Mechanical rough-in The mechanical rough-in is essentially installing your HVAC system.

### Rough

Garners' performance and Adam Arkins' small but Emmy deserving turn as a man our hero Sam Clemmens meets in his episodic journey to find himself are the two best out of several good performances which brings this story to life and to heart.

### Rough

Higbie, later a civil engineer who died in 1914. This includes your interior wall framing, floor joists, sub-flooring, ceiling joists, roof rafters, etc. This is where all hot-water pipes, cold-water pipes, and gas lines to appliances will be installed.
