Beauty on the Wing Life Story of the Monarch Butterfly

This book would give a child a great appreciaton for this amazing butterfly that migrates to Mexico and California. As she knew her migration

journey was soon to begin, Danaus found her colony to ensure a safer and less lonely voyage.

Laurence Pringle

. It hangs upside-down and sheds its yellow and black skin, revealing the leaf-green protective shell of the chrysalis underneath. Once the sun sets, the butterflies cluster in the oyamel-fir trees until the next morning.

Beauty on the Wing Life Story of the Monarch Butterfly

The text is filled with interesting information and concepts. .

Saving the Butterfly Forest

I believe that author of An Extraordinary Life: The Story of a Monarch Butterfly, Laurence Pringle, solves this by presenting dense information and facts to the reader in the story of a singular monarch butterfly.
