Carrier groups Articulate the alternative narratives, to interpret what is happening, who is responsible and what is to be done.

Dr John Sharples

This is aided by the presence of alternative means of communication to distribute such accounts. As the Greek Easter approached, a dispute grew with the government hesitant to ban public rituals due to its political cost, especially when Orthodox hardliners and rogue bishops made public declarations and followed practices undercutting government efforts to come to grip with the pandemic through social distancing in the first crucial weeks in March.

Education and conflict: Essay review

The first is to introduce the concept of compressed cultural trauma and the second is apply the theory of cultural trauma in two case studies of the current covid-19 pandemic, Greece and Sweden.

Institute of Economic Affairs (Great Britain) [WorldCat Identities]

Cultural trauma is a specific form of collective trauma, affecting collective identity, where groups of individuals feel similarly affected by a fracturing of the existential security that a firm sense of identity affords. .

Education and conflict: Essay review

Turner 1966 , which formed the basis of a renewed correspondence with his painter father, and his Cézanne 1969 , Courbet 1973 , Hogarth 1977 and Gainsborough 1981. Or a much worse one.
