Grants Information

One commenter suggested that this provision should be tied together with the closeout provision with regards to the timeframe to submission of reports.

Grants

Unique Entity Identifier means the identifier assigned by SAM to uniquely identify business entities. Lastly, for transparency purposes, another revision adds a new paragraph h to § 200. For instance, for certain loan and loan guarantee programs, a third-party administers the program on behalf of the Federal awarding agency.

Funding & Financing for Energy Projects

Total response Burden Hours: 17,208. One example from the commenter was an environmental program where the performance will require years to measure. These revisions are intended to reduce recipient burden and will not have a significant economic impact on a substantial number of small entities because they will affect Federal awarding agencies; they do not include any new requirements for non-Federal entities.

Programs & Funding

The revision of 2 CFR is not a significant regulatory action under Executive Order 12866.

Local Government Grants 101

In addition, procurements for goods and services that are directly charged to a Federal award must conform to the standards identified in this part.

FRG Grants

The burden estimates are approximations based on the best available data. Generally accepted accounting principles GAAP has the meaning specified in accounting standards issued by the GASB and the FASB. Budget means the financial plan for the Federal award that the Federal awarding agency or pass-through entity approves during the Federal award process or in subsequent amendments to the Federal award.
