This recording comprises many of his smaller works, including the hauntingly beautiful Caazapa, and Medallon Antiguo Old Medallion, named after a piece of jewellery worn by an opera singer from Buenos Aires with whom Barrios fell in love. The calmly expansive oboe theme of the E major Andante is threatened by the G-sharp minor of the movement's mid- dle section whose sixteenth-note figurations anticipate the main idea of the third move- ment, but tranquility prevails when the tune returns in combined oboe, horn, and solo vio- lin. O, no, I beg you, do not leave, Op.

Maybe this new recording will. Es gibt fraglos etliche hochrangige Einspielungen der Streichquartette Beethovens, trotzdem wird man mit dieser Aufnahme wirklich glücklich, zumal sie eine einleuchtende Konfrontation des späten mit dem jungen Beethoven bietet und uns auf die Fahndungsliste setzt, wie viel Revolutionäres auch schon im Frühwerk des Komponisten zu entdecken ist.

Pettman I Saw a Maiden arr. SCARLATTI: Il Pirro e Demetrio: Le violette.

COMPACT DISK

These excellent performances are reproduced in marvelous, lifelike sound; impactful, but without any sense of artificial enhancement.
