Bilinguals Have Better College Outcomes, Labor Advantages: New Study

International Journal of the Sociology of Language, 132, 27-41. No Child Left Behind: Misguided approach to school accountability for English language learners. The education of limited English proficient students in California schools: An assessment of the influence of Proposition 227 in selected districts and schools.

Cummins: Immersion Education for the Millennium

Indigenous communities also accept this proposal and it seems that in many cases the members of the community leave their place of origin and move to the cities in search of a better quality of life. . The federal government dismantled reservations and prompted a major migration of Native Americans to urban areas.

Bilingual Education Resources

Immersion French in secondary schools: 'The goods' and 'the bads'.

Bilinguals Have Better College Outcomes, Labor Advantages: New Study

Journal of Educational Issues of Language Minority Students, 12 3 , 35-59.

COST Action IS0804

The provision of comprehensible input in L2 is interpreted as the promotion of literal rather than critical comprehension. The provision ended with the 2000 reauthorization of the ESEA.
