Census Records Northern Ireland

The National Archives UK also holds information about Irish history and genealogy, including military service records for England, Wales and the United Kingdom. That link IS the home page.

Census records

Approval was given for the designs submitted by a Mr Cooley of Dublin for a poor-house accommodating 36 inmates and a hospital containing 24 beds.

National Archives

I came across this great resource by on the top Irish surnames in each county.

Census Records Northern Ireland

Though there was no staff officially under the control of the magistrates, yet the nomination of the enumerators was placed in their hands, and much care appears to have been taken to secure the services of men who were competent to perform the duty. Antrim Agnes Bankhead Ardmoulin St.
