## Liberal Feminism (Stanford Encyclopedia of Philosophy)

We have said that we are prepared to fight for ten or twenty years: what would possibly remain, of Vietnam or of our purpose, after ten or twenty years? Provided society brings it about that you get the fair insurance payout, and maintains a fair framework of interaction, how you fare is your responsibility in the sense that others are under no obligation to eliminate shortfalls in advantage that might come about as the result of your own choices.

## Patterico's Pontifications » L.A. Times and Liberal Organization Claim: Study Shows Race Affects Mortgage Rates

Historic struggles have been waged to secure equal voting rights and equal rights to participate in the political process for disenfranchised groups including women, those disfavored on racial grounds, and members of lower-ranked castes. If we do not want to go along with them on this, then we have to ask: do we want them to continue the changes they initiated in Asia, or not? I was and am an anti-Communist.

## The Lunatic's Asylum: 145 Reasons Why Liberals Suck...

. They're bastards from Hell who just want to punish Democratic Women for having fun. Platform economies allow such mobilizations.

## The Alternative Workplace: Changing Where and How People Work

This is not a matter of moderate versus radical approaches to social change. His warning that Stalin would resume his cold-war offensive unless peace was secured when the Kremlin had need of the West, went unheeded by Republicans and Democrats alike.
