The Brink's Job (1978)

The truth is that ANY STATE that tries to take your guns IS ALREADY THE ENEMY of everyone in the land. Racial slurs lower the intellectual tone of the conversation; we may remove them.

Solzhenitsyn's Warning About Communism Applies To Today's Culture War

For example, evidence that shows male and female brains are wired completely different, or that different races have different IQ scores. Iraq was a piece of cake to take compared to the armed tribesmen of Afghanistan. But tiny suicide bomber ones, with just enough payload of explosives or toxins to kill one person, or poke a hole in the Trans Alaska pipeline....

Cool World

The suits and bureaucrat schmucks pushing to disarm countrymen may well be the second wave of invaders.

Instauration

Some items are published based on fair use for educational purposes.

The Brink's Job (1978)

TAKE ANY BANANA REPUBLIC WITH DISARMED CITIZENS? And when the wealth runs out, it will share the same fate. I want to be a hard ass, traditional red pill middle easterner or Russian or Ugandan etc.

Instauration

For nearly all jobs, no matter how specialised you are a phone call away from hiring someone with half the intelligence but none of the lip.
