Washington DC Night Tours

Memorial with its summer movie screenings. Her two children both under the age of 3 have their passports and own frequent flier accounts. She was plenty loud enough, though.

Washington DC Monuments by Moonlight Tour by Trolley 2021

See the landmarks by bike on a private, 2.

Monuments by Night

We did get to see everything the area had to offer and the guide was full of very fun and interesting facts. Everyone has different approaches and priorities when it comes to tour planning.

Washington by night

DuPont Circle is a lovely place to explore during the day with its shopping and historic buildings. Gaze at floodlit memorials and monuments, such as the magnificent Lincoln Memorial and the glow of the Jefferson Memorial reflected in the Tidal Basin.

10 Best Activities for All Ages in Washington, DC, at Night

At night, it can be quiet, but the longtime landmark and bookshop is open until 1 am on weekdays and 3 am on weekends.
