## Research & Statistics Resources

Book Systems works primarily with schools, smaller public libraries, and church and other special libraries.

### 2020 Library Systems Report

Libraries are also deploying digital collections in myriad file formats—essentially as data—to allow downloading en masse and, in turn, expedite submission to computational or other methods for analysis, modeling, and visualization. Many of the library sales in 2019 were renewals of contracts and upgrades from previous versions to Spydus10, and the acquisition of new add-in modules. Consolidation can also accelerate the development of alternatives.

## Research

Others with commitments for implementation include Orange County Fla.

### 2020 Library Systems Report

People want to use libraries. Despite the ferment, Americans remain steady in their beliefs that libraries are important to their community, their family and themselves. Our vision is a nation where museums and libraries work together to transform the lives of individuals and communities.

## AFRICAN

On the academic front, Ex Libris has had success with its Alma LSP. Not every public library actually has a professional librarian on staff.

## Special Report: Digital Humanities in Libraries

EDS saw a number of key enhancements, including improvements to its user experience.
