His nostrils, flat and broad to begin with, became widely expanded and raised so as to cause two deep lines to diverge from the nose along his cheeks. The Dakus brigands infesting the region of the Mansarowar Lake seem to be more numerous this year than ever.

In the forbidden land : an account of a journey in Tibet, capture by the Tibetan authorities, imprisonment, torture, and ultimate release. Also various official documents, including the enquiry and report by J. Larkin, appointed by the government of India, with a map and two hundred and fifty illustrations : Landor, Arnold Henry Savage, 1865

I had been lying face downwards, and had involuntarily stretched my legs during the night. I wished to sketch two or three of the more attractive.
